---

### **AGENDA**

**6:00 p.m.** Arrive at the venue for final prep

**6:30 p.m.** Community meeting begins (Intro by Kelly)

**6:35 p.m.** Explain details of the Dec. 3 power outage

- Cause: line-to-ground fault (underground cable failure)
- 127 customers affected

**6:50 p.m.** Discuss the history of the electrical infrastructure

- Cable was installed in the 1970's
- 2010 – City Light installed new conduit and cables in part of the Arroyo Beach community (south of SW 109<sup>th</sup> Street along 39<sup>th</sup> Avenue SW) in response to cable failures
  - Cable injection also performed to increase reliability
- Dec. 3, 2017 – Injected cable failed prematurely, causing an outage

**7:05 p.m.** Share future construction plans for the Arroyo area

- Project is currently at 90% design, Construction will start in March 2018
- Installing new conduit, cables, vaults and other associated work
- Construction Duration: Approximately one year for civil and electrical work
- Notification will be provided to customers closer to the construction start date

**7:20 p.m.** Questions

**7:30 p.m.** Meeting ends

**8:00 p.m.** Gather materials/load-out
